

10 Things to Know to Talk About IPSE in Your State

- 1. Do you have inclusive post-secondary education (IPSE) programs in your state?**
- 2. Which ones are TPSIDs? Which ones are not?**
- 3. Where are they located?**
- 4. How many students attend each program? (Exact numbers over time if you have it.)**
- 5. Which ones are Comprehensive Transition Programs (CTP), so students can receive federal financial aid?**
- 6. How many of the students are or have been employed while in the program?**
- 7. How many students had a job after finishing the program? What is their average wage and what are their hours worked? (If you have this information.)**
- 8. How many students are or have been in jobs with equal pay (competitive employment)?**
- 9. How many 18-24 year-old youth with intellectual disabilities are in your state?**
- 10. Get pictures, stories, videos of your students.**
